Profile

Wendy has been connecting people with business since she began her entrepreneurial path from 1998. She has a broad knowledge of business areas and has a flair for linking people to the appropriate person/company.

Wendy is a managing partner of Aster Connects and also with Go DigiCard which was Digital Business of the Year 2020. Go DigiCard is an innovative Irish company bringing businesses together with a digital card solution and has swiftly gained customers worldwide.

Wendy is a proud Ambassador for the Dublin Chamber of Commerce and works with many companies on their online digital strategies and social media marketing. Her passion is for connecting companies, digitally with her strategies and business plans.

Wendy has a wide network of contacts both in Ireland and across Europe. She has received many award nominations including Irelands Most Inspiring Businesswoman 2019 and was announced winner in the category of Entrepreneur of the Year 2019 in the Irish Women's Awards.

NETWORK CONNECTOR

Dublin Chamber of Commerce

Wendy is a proud Ambassador for the Dublin Chamber of Commerce and works alongside many companies on their online Digital Strategies and Social Media Marketing.

Wendy has a passion for linking business to business and helping develop that new link to expand their business.

For more information visit:

The Voice of Irish Business

Wendy was involved in the development of the Voice of Irish Business and said, “she is thrilled to be presenting opportunities in Central and Eastern Europe (CEE) to Irish Businesses and vice versa.”

Together with the most influential businesses in the CEE they are there to help you and your business understand the potential, the best practices and find the best partners to work with.

As well as providing expert outward investment support they also support Irish Businesses that would like to export into Central and Eastern Europe.

The Virtual Business Owners Network

The Virtual Business Owners Network (Virtual BON) - has a simple mission – to bring business owners/decision makers together in the right environment for their mutual benefit in this weekly online virtual forum. This network was developed to support and connect like mindWed business owners through the pandemic and has been a huge success among its members.

BUSINESS VENTURES

GoDigiCard

What is a Digital Business Card?

A Digital business card places your business in the palm of your customer's hand. It allows instant connectivity with just a click of a button.

How does a Digital business card work and what are its benefits?

A digital card is an essential business tool. Through innovative technology, we blend the advantages of online marketing with a traditional business card.

TESTIMONIALS

Steven Drew: Partner at Drew Consulting - Human Resources

I was introduced to Wendy about 12 months ago and since then we have built a strong working relationship. Wendy is a true professional and has in-depth industry knowledge. She has been of great support to me over the last year and is one of the most enthusiastic professionals I have met throughout my career. I would highly recommend Wendy.

Dr Lorraine Mancey: Empowering - Inspiring Entrepreneur

We had the pleasure of hosting a fireside chat with Wendy at the UCD Innovation Academy and were thoroughly impressed by her story. She brings authenticity and connection to entrepreneurialism and had the class riveted. The word most used by the class to describe Wendy was 'INSPIRING!' .. I thoroughly recommend Wendy as a speaker and look forward to hosting her at UCD in the future

Howard Hughes: Professional Business Coach - Innovational Business Development

Wendy has great collaborative skills and is a pleasure to work with. She is a good listener and brings the benefit of her experience to any business. She is dependable and hard working and has a good eye for opportunity, a real entrepreneur. I always look forward to working with Wendy and having her in my circle of influence.

Emilia Todorova: Mortgage Specialist

I met Wendy in 2018, when my company needed Wendy's service with the Digi cards for business. From that moment, I saw something in her which is kindness, discipline, creativity, honesty, trust, integrity, positivity etc. Always after, I watch Wendy's growth and success and to be honest I am always inspired. Wendy have a great ability to bring people together and to connect them in a very positive environment.

Alan Hennessy: Kompass Media - Social Media Consultant & Podcaster

Over the past number of years, I have had the pleasure to work with Wendy on a number of project and her professionalism and knowledge in the area of Digital and Traditional Marketing are exceptional. Her approach to creating meaningful and professional content that ensures a brand will stand out and has helped our business and client we have worked.
